JFK FRIENDSHIP CENTER

The John F. Kennedy Friendship Center was founded by parents and teachers of the John F. Kennedy School as a non-profit German-American community center. The original goal of the FC was to further promote friendship between Berliners and Americans. As the situation in Berlin has changed following reunification, the FC still strives to support this special bicultural community. While maintaining its emphasis on American and German traditions and cultures, the FC provides opportunities for all residents of Greater Berlin - newcomers and natives - to meet and enjoy each other's company in many different settings.

In addition to our bilingual day care centers the Friendship Center brings people together by offering a program of activities for the family and for various interest groups: language classes, drama, gym, seminars, dance, art, music, special events and social gatherings. Our Activities Program contains all info and is published every two months.

Membership is open to the general public. To become a member, please fill out the registration form below and mail it to the Friendship Center's address below. **The current yearly (Aug. - July) dues are € 45,-- for the whole family or € 35,-- for a single person and must be paid by Aug. 1 st of each year.** Membership is valid as soon as the club sends you a confirmation and can be terminated upon notice of one month to the end of the month. The obligation regarding payment of the membership fee in full for the year in progress remains unaffected by termination. Members receive the Activities Program and can participate in Club activities and classes. If you have not received your Program, please call the Club.
